

Primary 5 Personal Project

This week we would like you to prepare and present a project on a theme of your choice!

It could be about your favourite book, TV show, animal, an historical event, a favourite country, sport...anything!

Begin by selecting and researching a topic which interests you. Then decide how you are going to present your project. We have attached a planning sheet you might like to use.

You are encouraged to ask advice from parents, relatives and other reliable sources such as the internet or books, to produce the highest possible standard of work, BUT please remember the final work must be entirely your own.

Take time each day to add to your project. We look forward to reading them all when you are finished!
