

Good morning everybody!

I hope you had a lovely weekend and are ready for another week of home schooling!

This week I recommend completing the following tasks. As always, try to complete each task to the highest possible standard and do your best to share your work with us on your Dojo Portfolio, Teams in the assignment tab or email.

Home Learning Week 4:

Reading - Choose a book of your choice and complete 20 minutes of reading per day. We will be posting a daily reading challenge if you wish to complete this. Today's challenge is to read out loud to somebody else!

Comprehension - The new hospital in London is called the NHS Florence Nightingale but who is Florence Nightingale? Complete the comprehension and find out more. Remember to use full sentences in your answer to each question. (see Florence Nightingale document)

Spelling - This term we will be practising common words. Look for your spelling words on Teams, Email or Dojo and practise the words in your list. If possible try to do a spelling test on Friday.

Literacy - The weekly writing task is based on a very powerful picture comparing NHS workers to Superheroes. We recommend you choose at least 3 activities to complete in the document (see Avengers Writing task)
If possible try to send me a picture of your amazing work!

Art - Using the powerful picture from our writing task as a prompt, can you draw a picture of your own key worker Superhero!

Numeracy - This week we are focusing on revising our place value. We suggest the following tasks this week.

Written work: Place Value Booklet and Digit Values Worksheet (see documents)

Game based activity: Place Value Game (see document)

Online Game: https://www.math-play.com/Place-Value-Millionaire/place-value-millionaire-game_html5.html

Try to also play Sumdog 3 times a week for 20 minutes and remember to practise your times tables. If possible try to send me a picture of your amazing work!

Optional Maths Challenge: Daily Rigour (see document)

Project Based Learning - For this term we will be focusing on small projects instead of topic work with the aim of keeping everybody engaged and focused through open ended tasks.

Our first project is a personal project of your choice to be completed over two weeks. Please use the Personal Project Document as guidelines for the standard of work that is expected. I look forward to hearing about all the topics that you decide to research! (see Personal Project document)

PE - complete two sessions of PE in the week:

Joe Wicks will be completing live PE lessons every morning at 9am

<https://www.thebodycoach.com/blog/pe-with-joe-1254.html>

Alternatively you could complete the Letters Fitness Challenge (see PE Challenge document)

Health - It's important to keep ourselves happy and positive at a time like this. For this week we have included a small health activity to promote discussion about our thoughts and feelings (see Health document).

Cooking - Mrs.McGonagle is continuing to post videos on her Youtube channel. This week is Roasted Tomato Orzo which sounds like a lovely refreshing summer dish, cook along if you wish!

<https://youtu.be/AURQmudqHaU>

Try to complete an act of kindness each day!

****All documents are available on Teams, Dojo and have been emailed to each child****
