

Primary 7 Home Learning – 27th April 2020

Below are a list of **suggested** activities. If you would like me to mark them please send them to me. I will be online each week day from 11.00am – 1.00pm if you have any questions. We will still have our daily art challenges and some other fun activities across the week!

Numeracy

Maths Workbook – There is a sheet for each day of the week. You can do them each day if you wish but you don't need to stick to this. There is a mild, spicy and hot option.

Sumdog Website: https://www.sumdog.com/user/sign_in

Mrs Smith has also sent a large range of websites which you can use to revise the topics further.

Literacy

Reading

This week I have uploaded 2 comprehension tasks. Please choose the level of challenge you are able to complete. Remember to read the passage carefully and answer in full sentences.

Spicy - A Boy called M.O.U.S.E' by Penny Dolan

Hot – Snake by D. H. Lawrence

Here is a great selection of books that are age appropriate for Primary 7. You will be able to get most of them on paperback or kindle.

P7 Yearbook

Memories

We would like to put together a section of the yearbook on your best memories of you time at Bearsden Primary School. Write a short paragraph describing your best memory. You are allowed to send in more than one.

Photos

If you have not already done so and are able to can you send:

- A photo of you from your first day of school and/or a baby photo.
- A photo of you from P7.
- Any photos you have of the class which you think would be good to include in our yearbook, these could be of groups of friends, school shows, discos etc.

Please email these to me rather than put them on Teams as it would become too cluttered. If anyone has any ideas of what we should include

in the yearbook, please let me know. We're very excited to still be able to make this with you!

Enquiry

Continue to create your visual display for your enquiry. This could be in the form of a few posters, documents or a powerpoint. You may also wish to make a video to show off your display and your journal. Remember to include your central idea!

If you get any of this finished please just sent it to me and I can start putting together our virtual exhibition!
