

Good Morning everybody!

We hope you had a lovely weekend and are ready for another week of home schooling. Just a four day week this week as Friday is a public holiday for VE Day! This week we recommend completing the following tasks. As always try to complete each task to the highest possible standard and do your best to share your work with ourselves and your classmates.

### Home Learning Week 5:

**Reading** - Choose a book of your choice and complete 20 minutes of reading per day. We will be posting a daily reading challenge if you wish to complete this. Today's challenge is to read a comic book!

Here is a link to a site with lots of funny comics:

<http://www.moosekidcomics.com/>

**Comprehension** - This week for comprehension we will be looking at the lyrics to the song Under the Sea from The Little Mermaid. Listen to the song and complete the questions, remember to use full sentences in your answer to each question (see Under the Sea Comprehension document)

**Spelling** - This term we will be practising common words. Look for your spelling words on Teams, Email or Dojo and practise the words in your list. If possible try to do a spelling test on Thursday.

**Literacy** - The weekly writing task is to use the writing starter to complete a short story. Please remember to structure your writing into paragraphs and include descriptive vocabulary and a variety of punctuation.

If possible try to send us a picture of your amazing work! (see Writing Starter)

**Art** - We'd like you to take the time on your daily walk to observe your surroundings and note what wildlife you see (see document). Once you have completed your observations, for an Art task this week please take your time sketch something that you spotted on your journey.

**Numeracy** - This week we are focusing on revising our rounding of numbers. We suggest the following tasks this week. For a reminder on how to complete rounding please follow this video link:

<https://corbettmathsprimary.com/2018/07/31/rounding-video/>

Written work: Rounding Booklet and Rounding Settler (see documents)

Online Game: <https://www.topmarks.co.uk/maths-games/rocket-rounding>

Try to also play Sumdog 3 times a week for 20 minutes and remember to practise your times tables. If possible try to send me a picture of your amazing work!

Optional Maths Challenge: Rounding up and down (see document). For an extra challenge you could complete this using no calculator.

**Project Based Learning** - For this term we will be focusing on small projects instead of topic work with the aim of keeping everybody engaged and focused through open ended tasks.

Our first project is a personal project of your choice to be completed by the end of this week. Please use the Personal Project Document as guidelines for the standard of work that is expected. We look forward to hearing about all the topics that you decide to research! (see Personal Project document from last week).

If you have already submitted your project, there is still to make changes and improvements!

**PE** - complete two sessions of PE in the week:

Joe Wicks will be completing live PE lessons every morning at 9am

<https://www.thebodycoach.com/blog/pe-with-joe-1254.html>

Alternatively you could complete the Numbers Fitness Challenge (see PE Challenge document)

**Music** - Thank you to Sam (Room 14) for this great suggestion for an activity. Music has the ability to make us feel happy and positive, so for this week we would like you to create your own song using Music Lab!

<https://musiclab.chromeexperiments.com/>

**Health** - This week for Health we have another poem and some reflective questions to discuss. (see HWB Suppose Poem document)

**Cooking** - Mrs.McGonagle is continuing to post videos on her Youtube channel. This week is homemade pizza which sounds like lots of fun, cook along if you wish!

<https://youtu.be/O2EITlyTX-Y>

**Try to complete an act of kindness each day!**

**\*\*All document are available on Teams, Dojo and have been emailed to each child\*\***

**When sharing work please try to use Dojo Portfolios to upload any tasks as this helps us keep a record of your amazing work!**
