

We have all heard some fabulous stories about Fundraising and other Acts of Kindness during lockdown so we thought you would like to hear about some examples from our Balmuildy community. Well done to all of those shown here and if you have a story to share please email the school office and let us know!

On Saturday night Noah in P4b and Sophia in P2b delivered homemade pizzas to the door of Gran and Papa. They prepared a menu and orders had to be placed over the phone where Sophia took the message and Noah was the manager. Two specially designed pizza boxes were designed and coloured in - one for papa, one for gran! Two happy customers!

Well done, Noah and Sophia!

Sarah in P7b made mini cookies and left them out in the drive for people to take and leave a donation to raise money for the NHS. Well done, Sarah!

Kolby in P6b has been helping his mum with charity work and making flower arrangements to take to the elderly and NHS staff within their street. They have made 44 so far and are still going strong. They delivered 10 more bunches, along with some homemade shortbread, to a Nursing Home in Bishopbriggs on Friday. Wow, Kolby, you are really keeping spirits up!

Alicia in P7a and Marissa in P3a cycled 26 miles around their estate and have raised just under £500 on justgiving for the NHS.

What an effort, girls! Well done!

Bethanie in P3a was taking part in a 5k raising money for our health heroes. But instead of doing this just once she did a 5k each day for one whole week by alternating between running, cycling, scooting and roller skating. Over 7 days, Bethanie has covered an impressive distance of 35km in total and raised even more money for NHS charities.

That is a fantastic achievement, Bethanie!

Matthew in P7b, Sophie in P5a and Olivia in P2a designed and made cards to be included in care packages for elderly residents in Edinburgh as part of an initiative run by young people's campaigner, Chris Kilkenny. They also sent artwork to cheer up the staff and patients at Marie Curie Glasgow Hospice where their aunt works.

These are beautiful cards. Great job, Matthew, Sophie and Olivia!

Callum in P6a and Angus in P3a have been busy with their older brother, Kenneth over the last few weeks. They have been using online suppliers to send thank you treats to close friends and family who are key workers, including their dad who got a big chocolate cake baked for him. They also sent Letterbox flowers to granny to make her smile as she is missing them lots, delivered doorstep Easter surprises to close neighbours and delivered birthday goodies to their good friend. They took part in the Rossvale FC collection of toiletries and goodies to send to hospitals for patients and staff and contributed to the Bishopbriggs Academy Go Fund Me for production of essential PPE.

Boys, you have been very busy! Well done, Kenneth, Callum and Angus!
