

Good Morning everybody!

We hope you had a lovely holiday weekend and are ready for another week of home schooling. This week we recommend completing the following tasks. As always try to complete each task to the highest possible standard and do your best to share your work with ourselves on Dojo or by email.

Home Learning Week 8:

Reading - Choose a book of your choice and complete 20 minutes of reading per day.

Comprehension - This week for comprehension we will be completing two short comprehension cards. The questions challenge your thinking skills so please make sure to take your time and check your answers. Remember to use full sentences in your answer to each question (see Comprehension Cards document)

Spelling - This term we will be practising common words. Look for your spelling words on Teams, Email or Dojo and practise the words in your list. If possible try to do a spelling test on Thursday. As an optional spelling challenge we have included Dial a word to help you practise (see Dial a Word Document).

Literacy - The weekly writing task is to write a short story inspired by the movie Cloudy with a Chance of Meatballs. Please use the worksheets to help you create a character and structure your story (see Cloudy Writing Sheets and Cloudy Writing PowerPoint documents).

Art - Visit 'The Little Art School' YouTube channel and complete a tutorial of your choice. There is a new tutorial added every weekday at 11am so there's loads to choose from. Each tutorial has a senior and junior option so pick the one that you think is best for you. Many of them use paint to finish but coloured pens or pencils would be perfect too. We would love to see your finished work.

Numeracy - This week we are focusing on revising our work on factors. We suggest the following tasks this week. For a quick refresh on factors watch the following video:

<https://youtu.be/LU20SP8oYtc>

Written work: Factors booklet, factor bugs sheet, multiples and factors game (see documents)

Online Game: <http://www.hoodamath.com/games/factorfeeder.html>

Try to also play Sumdog 3 times a week for 20 minutes.

Optional Maths Challenge: Postman and bus problem (see documents)

Project Based Learning - For this term we have been focusing on small projects instead of topic work with the aim of keeping everybody engaged and focused through open ended tasks.

On Friday this week it will be Sports Day! For this week's project we would like to create your own Sports day using the task cards provided which will lead you through the project. We can't wait to see your amazing ideas! (see Sports Day Project)

PE - complete two sessions of PE in the week:

Joe Wicks will be completing live PE lessons every morning at 9am

<https://www.thebodycoach.com/blog/pe-with-joe-1254.html>

Alternatively you could complete a circuit session (see PE Circuit Challenge)

French - This week we will be revising our basic French phrases. Below is a link to video to remind you of basic conversation in French.

https://www.youtube.com/watch?v=L6ycq_IRUY8

<https://www.youtube.com/watch?v=IoShCY3B-1I>

We have also included a PowerPoint to help you see these phrases written down. Once you have revised these phrases please complete the conversation worksheet (see French PowerPoint and French Worksheet documents)

For extra practise of your French you can find a range of games at the following site:

<https://www.french-games.net/>

Cooking - Mrs.McGonagle is continuing to post videos on her Youtube channel. This week is potato and chickpea curry, cook along if you wish!

<https://youtu.be/LrnJ1p8sbww>

Try to complete an act of kindness each day!

****All document are available on Teams, Dojo and have been emailed to each child****

When sharing work please try to use Dojo Portfolios to upload any tasks as this helps us keep a record of your amazing work!
