

# Home Learning Activities

## Primary 3 – Mr Findlay

Week beginning: 8.6.20

### Numeracy and Maths - Multiplication

**\*Our main focus this week is looking at division and linking this to multiplication**

Quick mental agility is a cornerstone of numeracy so it would be beneficial if you could continue to ask your children mental maths questions.

Check class story for activities that could be printed.

### Literacy

**\*Our main focus this week is reading and skimming and scanning text.**

Children can read e-books on *GetEpic* and *oxford Owl*.

Please use the following websites for reading material.

[www.oxfordowl.co.uk](http://www.oxfordowl.co.uk).

EPIC

1. Click - Students & Educators
2. Click on your name.

\* **Spelling: The spelling rule for this week is "age"**

Spend 20 minutes each day learning the spelling words (see spelling grid in homework wallets for creative ideas.)

It is a chilli challenge so choose **one** set of words which you think you will be able to spell by the end of the week.

When ready please give your child a test to ensure they can apply the rule. The bottom two words are tricky words.

**Writing:**

Create a non-fiction or persuasive text around the context of farming

Our topic this term is about Scotland. We will focus on Scottish food and where it comes from with some cooking too.

Tune into Joe Wicks for a workout.
