Worksheets: <https://corbettmathsprimary.com/2018/05/31/roman-numerals-questions/>

Additional task. Can you discover where our months came from? Why are there 12 months? Were there always 12? Where does the name of each month come from?

History:

Watch Horrible Histories: Rotten Romans here:

<https://www.youtube.com/watch?v=6dohpfFPi6U>

Write the 10 facts which you find the most interesting

Romans Activities:

Follow this Link:

<https://www.bbc.co.uk/history/handsonhistory/romans.shtml>

1. Read "Meet the Romans"
2. Choose whether you would like to create a mosaic or build a 3D Roman Villa. Download your chosen activity and follow the instructions. I can't wait to see your creations!
3. Read the timeline of the Roman invasion of Britain and write the 5 most interesting facts you find.
4. In a similar style, create your own timeline of the major events of the Roman empire.

Roman P.E

Research the events which would take place in the Colosseum and the Circus Maximus in Rome.

Choose one of these events and identify which muscle groups are most important to that sport and why. What sort of training would the competitors need? Would you like to take part in these events? Why or why not?

Who was the best Caesar?

Research the 12 Caesars of Rome and identify the one which you find the most interesting. Write a paragraph about why you have chosen them as the most interesting.

Romans in Bearsden.

There are still traces of the Roman Empire in Bearsden. Try to find out as much information as possible about this. When were they there. Why were they there. What did they build? What was the purpose of these structures?

Spelling – Spelling City – The usual activities

Room 19 – ‘ment’ suffix https://www.spellingcity.com/spelling-games-vocabulary-games.html?free_games=1&list_id=22692627#

Room 20 – ‘tial’ suffix https://www.spellingcity.com/spelling-games-vocabulary-games.html?free_games=1&list_id=22692578

STEM

- Make a safety container for a fresh egg to be dropped from 2 meters high in. The egg must land without being broken. Think about materials that will protect a delicate shell from breaking. If possible, it might be better to try this outside... incase the container fails and the egg breaks!

Class Trip

- We are going on a virtual trip to London! See attached sheet and scan the QR code on a phone or tablet device. Watch the video and answer the corresponding questions. Soak up as much information as you can because this class trip will help you with this weeks writing task.

Reading

- Continue reading novel of your choice.
- Elephants and Ivory reading comprehension. Choose your spice (mild, hot or extra hot) and complete the following questions.
- The answers are attached on the sheet. Make sure you use the correct answers according to your spice.

Writing

- This week you are going to create an information poster encouraging people to visit London.
- This can be done by hand or digitally. Below there is a checklist of all the features that make an informative poster.

Checklist

- Title and subheadings
- Clear text and easy to read (consider using bullet points)
- Effective use of pictures relating to the topic of the poster
- Catchy names and slogans
- Include landmarks or attractions from the city
- Use of persuasive language (see attached sheet for help with this)
- Your poster can be A3 size or 2 A4 sheets of paper
