

Home Learning Activities Primary 3

Mr Findlay

Week beginning: 15.6.20

Numeracy and Maths - Our main focus this week is the four processes of addition, subtraction, multiplication and division

Quick mental agility is a cornerstone of numeracy so it would be beneficial if you could continue to ask your children mental maths addition and subtraction questions within 20 for speed. I always have fun with them and say that it should be as fast as they can answer their name.

Check out these websites – all useful for a range of maths concepts

<http://www.crickweb.co.uk/ks1numeracy.html>

<https://www.sumdog.com/>

Literacy

*Our main focus this week is to develop reading and comprehension skills.

Children can read e-books online and use the questions on the reading grid (inside your child's homework wallet) to check that your child understands the text.

GetEpic

To access a wealth of books check out

Writing this week – Create a piece of writing about Charles Rennie Macintosh

– You can choose.

- reflective art piece about his work and if you like it or not and why.
- A life in the day of Charles Rennie Macintosh
- A fact file about Charles Rennie Macintosh and his work
- Complete a PowerPoint all about Charles Rennie Macintosh

Use lots of descriptive words and make sure you have capital letters, fullstops and any other punctuation that is appropriate.

Spelling

Group 1	Group 2	Group 3
acknowledge	pledge	edge
knowledge	wedge	ledge
drawbridge	hedgehog	hedge
porridge	fridge	lodge
privilege	bridge	badge
grudge	smudge	sledge
May	May	May
June	June	June

Spelling and typing fun
