

Good Morning everybody!

We have made it, we are on to the last 3 days of Primary 5 before our summer holidays! Due to it being a shorter week we have provided a set amount of tasks to reflect this. As always try to complete each task to the best of your ability and do your best to share your work with us on Dojo or by email. We love to see what you have been working on!

### Home Learning Week 12:

**Reading** - J.K Rowling is releasing a new book (The Ickabog) for free! She is releasing new chapters each day over the next seven weeks. We would like you to read at least one chapter every day. You can find The Ickabog here: <https://www.theickabog.com/>

**Comprehension** - This week's comprehension is based on a short extract from The Garden Party by Katherine Mansfield. Read the passage carefully and answer the questions in full sentences (See comprehension document).

**Literacy** - The weekly writing task is to write a comparison poem using your five senses. Further information is provided in the poem document (See senses poem document).

**Numeracy** - This week, the work is based on a selection of different maths concepts.

Written work: Maths Mystery (see document)

Game: Sudoku Puzzle (see document)

Online Game: <https://www.topmarks.co.uk/Flash.aspx?a=activity01>

Try to also play Sumdog 3 times a week for 20 minutes.

Optional Maths Challenges: Magic Maths Art (see PowerPoint)

**Project Based Learning** - This week's personal project was suggested to us by Emily Locke (Rm 14) a few weeks ago and we thought it was a great way to educate ourselves on an important topic: Endangered Animals. We have suggested a poster to present your learning, however you can be as imaginative as you like! We are looking forward to seeing what you come up with. (See Endangered Animals Personal Project doc)

**Optional Virtual Class Trip**- We have found this amazing class trip with a selection of Harry Potter tasks which you may wish to complete over the holidays. There is no requirement to upload this to your portfolio. We hope you enjoy this! (see email for PowerPoint and documents)

Try to complete an act of kindness each day!

**\*\*All documents are available on Teams, Dojo and have been emailed to each child\*\***

When sharing work please try to use Dojo Portfolios to upload any tasks as this helps us keep a record of your amazing work!

Have a fantastic Summer!
