

## Primary 7 Home Learning – 22nd June 2020

P7 well done on having such an amazing year! We loved teaching you in school and we think you have done amazingly well with all the home learning! Good luck Class of 2020, we will miss you!

Miss Mullen and Mr Prunty

### Shirt Signing

We have attached a shirt template. Send 5 (or more) friends a message to put on their shirt! Please share these on Teams.

### Literacy

#### Writing

For your final piece of writing, we would like to write a creative story set in a secondary school. You can take the story in any direction but we want you to try and remember all the fantastic skills you have learned over your time at primary school and use them in your writing.

#### Comprehension

The final comprehension is all about fake news. The questions are split into mild, spicy and hot and are underneath the passage.

## **Numeracy**

### **Murder Mystery**

One last murder mystery for you! There is a spicy and a hot option.

### **Revision**

For your final week we would like you to choose an area of maths that you think you need to practise before you go to secondary school. This website has great videos and activities for you to complete. <https://corbettmathsprimary.com/content/>

## **STEM**

Dyson have made these great STEM activity cards. A lot of them use resources that you may already have around the house. Make sure you get a permission from a parent before you do them!! Please send in some pictures if you do try any of them.

## **Previous Work**

If there is any work from previous weeks that you haven't finished or would like to have a go at, you can do this in your last few days! All of the documents are available on the school website.
