Connected Community Ambassadors

Hampers

During the current Covid-19 pandemic, we are conscious that we cannot fund raise in the same way. However, we are keen to continue to support our school and the local community. As a result, we have a number of fabulous young people who are keen to help and have signed up to become 'Connect Community Ambassadors'.

We wanted to surprise local residents with a gift, and our team of young people worked very hard to develop hampers with a personalised note to go to some of our local residents.

Lockdown Support

During lockdown the PTA were delighted to fund our school in a number of ways. The Design and Technology department created over 400 visors that went to the local community to keep people safe. We are also helping the school make their own masks for our young people.

Christmas Raffle

We are organising a Christmas raffle to support our school with some fantastic prizes. More information coming soon!!! Keep an eye on our twitter page for updates @Bearsden_PTA

PTA School Lottery

Thank you to everyone who is supporting our lottery. We would like to invite all our parents/carers to join. Each week you will have the opportunity to win £25,000 from the grand prize, and someone from our school will win a cash prize each week!

We now have 162 weekly tickets, and the lottery has raised over over £5000 to date.

Tickets cost £1 each week, and you can sign up by going to the website below. <http://www.yourschoollottery.co.uk/play>

Christmas Donations

We are looking for donations to continue our community hampers. There is a drop off box at the main office where your son/daughter can leave small items such as chocolates, biscuits, or beauty products. A big thank you in advance for your generosity!
