

Auchinairn EYC Learning for Sustainability Policy

Learning for Sustainability (LfS) is an approach to life and learning which enables learners, educators, schools / early years centres and their wider communities to build a socially-just, sustainable and equitable society. LfS weaves together global citizenship, sustainable development education and outdoor learning into a vision of learning for a better world.

Auchinairn EYC operates in accordance with the following policy documents and guidance on Learning for Sustainability:

- Realising the Ambition

Auchinairn EYC presently implements Learning for Sustainability through the following methods:

- Existing policy on Fair Trade and the use of Fair-Trade Products where possible and participation in Fair-Trade fortnight
- Strong ethic of Outdoor Learning in centre including Forest Kindergarten program
- Recycling and waste reduction across the centre
- Centre is working towards the Eco Schools Green Flag Award
- Existing Equality and Diversity Policy
- Emphasis on child's voice in planning and setup of setting (learners as leaders)
- LfS Training at in-service day
