Dear Parent/Carer,

Over the last term you have received a number of Wider Achievement Sway presentations that celebrate the success of our young people. You can re-visit these by clicking the links below. I am sure that you will agree that it is both heart-warming and inspirational to see many of our young people accomplish so much.

[Sway Presentation June 2021](#)

[Sway Presentation October 2021](#)

[Sway Presentation December 2021](#)

As a school, we value the importance of celebrating the success and achievements of our young people, both within and out with school. You can find out more information about the importance of recognising Wider Achievement by clicking the link below:

[Information Sway](#)

We have generated a QR Code and link that our young people and staff can use to record the achievements of our young people. Parents and carers can also inform us about the success and achievements of their child by [clicking here](#) or scanning the QR code below.

Throughout the school session, we will be actively encouraging our young people to tell us about their success and we would value the contributions from parents/carers. We hope that by encouraging young people to inform us of their achievements, we can continue to support them in the processes of reflecting on their learning and help plan the next steps in their learning journey.

Should you have any questions, please do not hesitate to contact myself.

Yours sincerely,

A handwritten signature in black ink, appearing to read 'M Healy'.
