- Ensure that all children and their parents/carers are personally greeted and welcomed when they arrive.
- Offer familiar play activities and experiences to promote self confidence and esteem
- Be flexible in response to individual needs e.g. making arrangements for the child to be collected early on the first few days if necessary.
- Deal sensitively with any anxieties children and/or parents/carers may have.
- Invite parents/carers to stay for sufficient time so that the child feels settled and the parent/carer feels comfortable about leaving
- Liaise with parents/carers and share information about the child.
