

SURVEY MONKEY RESULTS & INFORMATION

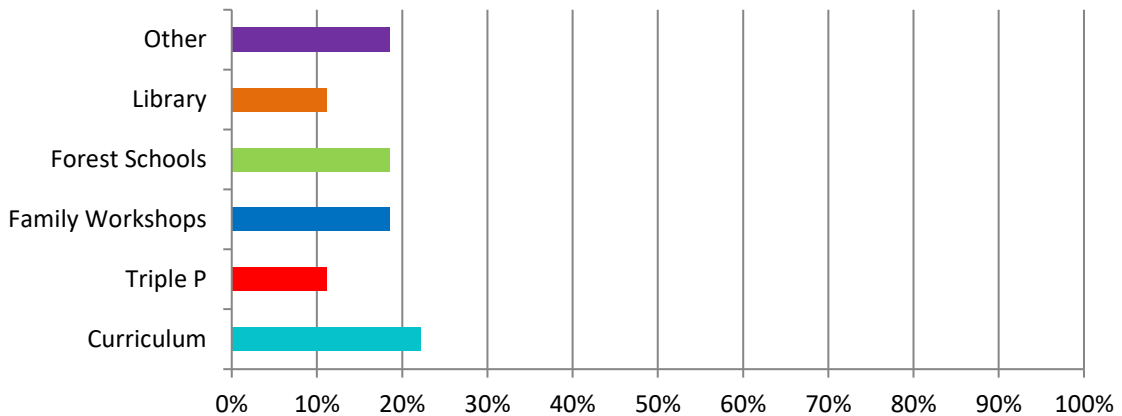

Did you attend our Stay and Share evening?

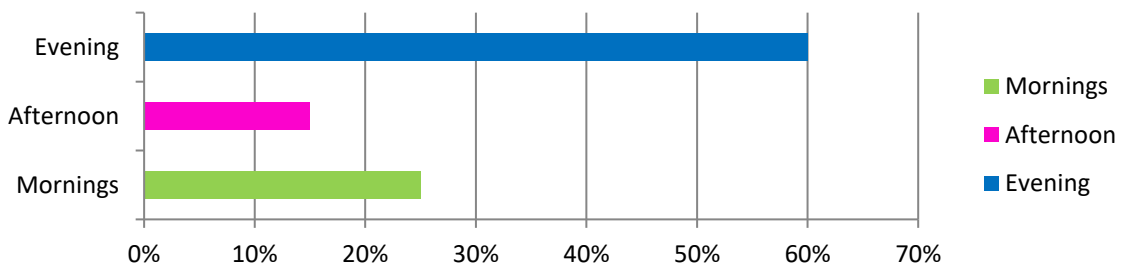

If you were unable to attend was is because of a particular reason?

What would you like further information on?

What would be the best time for you to attend any meetings/workshops?

What did you find most useful about the evening?

"Chatting with staff."

What did you find most useful about the evening?

"Meeting staff, info about forest school and general talk to staff."

If you are interested in any workshops what would be the best time for you to attend?

"I am interested in being more involved with the nursery, time permitting between 6 and 7 only."

Is there anything else you would like to share?

"Enjoyed myself last night was nice to have wee relaxed chat with staff and other parents."

What did you find most useful about the evening?

"Finding out about my child and how she's getting on. Also enjoyed learning about the forest school, will be looking forward to that when she is of age and Triple P. All in all was great sense of community and being part of that "

What did you find most useful about the evening?

"It was a brilliant evening. Gave us a great insight about what happens in and out of the nursery. Was lovely to be able to chat to the teachers and also see the rooms. Very well organised."

Is there anything else you would like to share?

"I would like to have more info on parent group this year and if it can be held later in the day so working parents can potentially be included."

What did you find most useful about the evening?

"It's lovely to meet the staff especially the new ones. Had an opportunity for informal chat with several members of staff. Interested to find out about the role of the teacher and how it pertains to my child's learning."

What did you find most useful about the evening?

Learning what they have new in nursery

What did you find most useful about the evening?

"Finding out about the new nurture and family rooms, library, and forest schools. We hear some things from our daughter but it's great to see it."

What did you find most useful about the evening?

"Finding out what the kids will be doing throughout the year."

What did you find most useful about the evening?

"It was lovely to hear all that's being planned, to see the passion and hard work of the staff and have my child show me around their favourite parts of the nursery. I love the idea of the family sessions. I believe this is something that will benefit today's society greatly. I also found out about the library and parents room which has enabled me to have lovely quality time without distractions, which has benefitted us both. I'm so grateful for all the effort and enthusiasm I can see from all the staff."

Is there anything else you would like to share?

"Just to encourage you all that you're doing a wonderful job and that my child adores nursery."
