S5/S6 Information for ongoing applications 2020

Step 1
Please access the information on the UCAS Website on the Covid- 19 updates.
https://www.ucas.com/undergraduate/after-you-apply/coronavirus-covid-19-latest-updates
Also double check each individual college website.

Step 2

Please log onto your UCAS page and double check your offers. Also log onto college websites to make sure there isn't any information pending.

Step 3

Please spend this time to double checking Universities and colleges through their websites before accepting offers.

Step 4

Any specific questions on offers or courses, please contact the Universities, colleges or UCAS direct but they are more than likely now operating via email rather than phone.

SAAS

We would encourage students to submit their outstanding applications for 2019/20 academic session where possible by 31 March 2020; however, given the unprecedented times, we will apply discretion when considering late applications and will endeavour to continue to fund students on time.
